Know All Men by these Presents:
That we John L Fisher and John D Bailey Administrators with the will annexed of Benjamin Bailey deceased, being satisfactorily assured that said decedent in his life time sometime on or about the 1st day of February A D 1888 did cause to be surveyed and platted a certain addition to the Village of Barnesville, Ohio formed out of a portion of Lot No 137 of Barnes' addition to said Village of which decedent was then the owner; and that within a few days thereafter said decedent submitted said survey and plat to the common council of said Village for the purpose and with the intent of procuring from said council an acceptance of his dedication to public use of the street and alleys in said addition and that pending the proceedings of said council upon said dedication said survey and plat was mislaid and lost. Now therefore we John L Fisher and John D. Bailey as administrators as aforesaid for the purpose of securing a formal acceptance by said council of said addition with the aforesaid dedication of the Street and Alley therein contained, have caused to be made from the land marks of the original survey of said addition a new survey and plat of said addition, which is hereto attached, and we, as such administrators do hereby to the full extent of our power and authority in the premises confirm the aforesaid dedication to public use of the street and alleys contained in the accompanying plat of said addition
