

In reply will say when I appraised  
the buildings ~~the~~ ground had  
not been transferred to Bishop &  
Martin, by instructions from  
Barrett. I appraised the  
buildings to the party they  
belonged to & the land to  
Cochran. in the case of Petty  
& Cochran the land is in  
the name of Thornton  
Petty while the building  
belongs to Petty & Cochran  
you want to get Bishop &  
Martin's Houses and then 1/8 acre  
together on the duplicate  
for 1891 & then you will be  
all O.K.
