

State of Ohio County of Belmont Village of West Bridgeport;

At the request and by the direction of the proprietors of Baltimore City Addition, to the Village of West Bridgeport, Belmont County Ohio, J. A. Colgan, a surveyor, made the following survey, being 3.50 Acres in the N. E. Co. of Sec. 9, T. 16 R. 3, and bounded on the South by Wheeling Creek and land of S. Mowbray; on the East by west line of Alley in N. S. Elmer's Addition on the North by the National Road, and on the West by a line at right angles to and 172.7 east of south Support of Bridge on National Road. I also laid out said parcel of land so surveyed into lots, streets and alleys, in manner, form and size, as delineated on the accompanying plat. The distances and size of the lots are marked in feet on or near the lines to which they refer. The number of each is placed on its corresponding lot; Saw Monuments have been placed as shown, from which future surveys may be made. I further certify that this plat is a true and correct representation of said survey and is a correct map of said Baltimore City Addition, of West Bridgeport, Ohio.
